

ArtBeat Treasure Hunt

Discover Clarendon Park, follow the route, answer the questions. Fun for all the family; children have fun spotting the photos, older ones exercise your brains on harder questions.

The route is 2.5miles long with a gentle hill. It takes 1hour 15minutes to walk at a steady pace without stopping to find clues.

Start and finish outside Knighton Library on Clarendon Park Road.

All clues are visible without intruding on private areas such as gardens etc. and you do not need to cross London, Welford or Victoria Park Road.

There is no hidden treasure (that we know of), simply answer the questions to get points and the team with the most points wins. One point per answer.

Winners will be informed and listed on www.clarendonpark.net by Wed 28th June.

Disclaimer: We accept no responsibility for any loss, injury, claim, or damage of any kind resulting from, arising out of or in any way related to this treasure hunt. You and anyone participating in this treasure hunt, do so at your own risk. Children should be accompanied by a responsible adult.
